Option 2. Order "Executive Taxi upon arrival"

Call Toll Free 1-877-531-2333

By reserving Charley's executive-type taxi service in advance, you have the flexibility of knowing a car will be ready and waiting when you arrive. Reservations are recommended but not required.

Make reservations before you arrive, and call when ready . . .

By pre-booking your arrival, we will pre-assign a driver to be waiting near the airport for you to call for pick-up outside the terminal. Wait under the Baggage Claim Area sign, and driver will meet you there.

When you arrive, Call Toll Free 1-877-531-2333 from a public pay phone. Let our dispatcher know you already made a reservation. Give your name, airline and flight number and the baggage claim area you are at. Our dispatcher will tell you the assigned driver's name and car number, and let the driver know you're ready for pick-up.

Wait directly under the Baggage Claim Area sign outside the terminal. Airport security rules only allow "active loading" and you must be ready for pick up once the driver arrives in the parking zone.

If you don't make reservations prior to arriving, call twice . . .

Call toll free 1-877-531-2333 from the flight arrival gate and tell our dispatcher your name, airline and flight number, and baggage claim area. This first call will give us time to dispatch a car to the airport, where the driver will be waiting for your second call. Call again toll free 1-877-531-2333, to find out your assigned driver's name and car number and the dispatcher will then let you know how long the driver will arrive at the airline terminal to pick you up.

Then, wait outside the terminal, directly under the Baggage Claim Area sign. Please be ready and waiting for the driver to find you. Airport security rules only allow "active loading" and you must be ready for pick up once the driver arrives in the parking zone.

Approximate cost for transportation from the airport to the Hilton Hawaiian Village is \$35 (includes cabfare, taxes and airport pick-up fees.) Corporate credit accounts are also available for a nominal surcharge.
