Dear Mrs. Evans,

On behalf of the Visitor Aloha Society of Hawai'i (VASH), please accept our belated but most sincere appreciation for your generous donation of taxi rides on December 8 and 9, 2022, to approximately 90 people who were evacuated from their hotel due to a gunman barricade situation on that property. Thank you for your extraordinary response in providing taxis to transport our visitors (and staycation residents) to another hotel and then back to where they were staying, once it was safe for them to return. As a non-profit organization, we depend on the endorsement and support of the community to operate successfully; therefore, we accept your gift with much gratitude. VASH was featured in a recent MidWeek article; I mentioned Charley's Taxi and am enclosing the article.

Your generosity is greatly appreciated. You are indeed valued and are noted as a special friend of the Visitor Aloha Society of Hawai'i.

Thank you for your support and commitment to our mission of spreading the Aloha Spirit.

Mahalo,

Jessica Lani Rich
President & CEO
